# **BEHAVIOUR POLICY**

# Statement of General Principles

# <u>Values:</u> Scholarship–Character-Community

# Purpose:

We are all members of the KING EDWARD VI Handsworth Wood Girls' Academy, and we believe that

"Everyone should act with courtesy and consideration to others at all times."

We use the consistent language of being "Ready, Respectful and Calm" and this supports our students in ensuring they can self-regulate and conduct themselves in a manner which is positive and purposeful. This ensures that all stakeholders are safe and allows for all students to reach their full potential.

#### **BEING Ready** means:

- Having all of our equipment
- Wearing the correct academy uniform
- Having our home study completed
- Our device should be charged and ready to use

#### BEING RESPECTFUL means:

- Valuing one another equally
- Treating one another as you would want to be treated
- Looking after property and the school environment
- Listening and valuing other peoples' ideas, feelings and beliefs
- Being fair

#### Being CALM means:

- Movement around site should be safe and courteous
- Listening to instructions and not disrupting one another
- Reporting incidents of conflict to members of staff

#### These Responsibilities will support the following: RIGHTS RIGHT TO RESPECT

- Everyone should be treated equally
- Everyone should be able to say what they feel, to express their ideas and opinions and be listened to

# **RIGHT TO FEEL SAFE**

• Everyone has a right to feel safe and that they are not going to be hurt in any way

This means we have a responsibility to treat everyone with respect. We should try to resolve conflict and seek help to facilitate this. We should never put people down but have a responsibility to see that everyone retains their dignity at all times. We also have a responsibility to report instances of bullying or to speak up if we feel that someone has been treated wrongly.

# Leadership and Management

Deputy Headteacher – Miss Sally Yates syates@hwga.org.uk

#### **Governors and Trustees**

Staff should consider themselves responsible at all times for the praise and behaviour of students within sight or sound of them. Ignoring poor behaviour effectively condones it. Praising positive acts promotes an ethos of support and high standards.

- The academy's Behaviour Policy has been adopted by the Governing Body, following a review of the Behaviour policy in spring 2019
- The academy will communicate the Behaviour Policy to all new and existing students through academy rules, Code of Conduct, student journals, student/family newsletters, assemblies and within the curriculum wherever relevant.
- The academy will seek to ensure that the policy and procedures are accessible to parents/carers and students by providing these on the academy website.
- The academy will ensure that the staff are consulted regularly about the policy and its implementation.
- The academy has communicated the Behaviour Policy to all teaching and non-teaching staff by providing copies of the policy and through the Staff Induction Programme.

Our aim as staff at KING EDWARD VI Handsworth Wood Girls' Academy should be for discipline to be not so much what we do after something has gone wrong, but how we prevent things going wrong.

# AIMS

- 1. To reward and praise our students when they demonstrate the VAA's
- 2. . To encourage all students to follow an agreed set of principles of behaviour.
- 3. To support effective teaching and learning.

- 4. Maintain and further promote a positive and safe learning environment for staff and students.
- 5. Motivate students by regular use of praise and ensure that all students can receive recognition of their successes.
- 6. To follow a framework of recording and support for teaching and support staff, students and parents/carers.

## PURPOSE

- 1. To provide consistency in a whole academy approach to behaviour.
- 2. To provide clear guidance for staff regarding suitable and acceptable practice.
- 3. To make all staff aware of support available protocols accessible to staff and students.
- 4. To promote a culture of fairness and equality for all.

## **IMPLEMENTATION:**

The Behaviour Policy of KING EDWARD VI Handsworth Wood Girls' Academy has, as its central focus, a Code of Conduct (Annex) that acts as a guiding principle and applies equally to students and staff.

The code must be displayed on the academy walls and in the student planner and it should be referred to when dealing with students in and out of the classroom. The Code has to apply in every setting - classroom, corridor, playground, school visits and the journey to and from the academy.

The classroom may also be a sports hall, a workshop, a laboratory, and the library or reflection room. Curriculum Leaders must determine subject or context specific rules, but certain general expectations apply.

When expectations are clearly spelt out students benefit from:

- Feelings of confidence from knowing how to behave
- Feelings of security about how others will behave
- Being able to concentrate on the task in hand

It covers all areas of behaviour within the community of the academy: -

- Constant expectations (always)
- Personal organization
- In the classroom
- In the corridors
- In the canteen
- In the community

# School systems and Social Norms

# STANDARD ROUTINES FOR STAFF

It is the responsibility of every member of staff to establish clearly explained routines for each class so that the academy rules and expectations as stated in the Code of Conduct are consistently, insistently and persistently applied.

# Staff should observe the following routines to consistently achieve the desired behaviour and learning outcomes:

- Arrive at all registrations and lessons **on time** and, if possible before the class.
- Insist upon **an orderly** entry to and exit from the class be visible at the doorway to the classroom.
- Rituals and Routines following the HWGA framework should be adhered to.

- Check basic expectations i.e. punctuality, uniform, relevant equipment, conduct each lesson, and address any issues that arise.
- Refer frequently to the Code of Conduct, particularly the **core values**, in order to maintain a calm and working atmosphere.
- Good behaviour is essential but needs to be taught. Therefore, **teach and regularly reinforce** the desired and necessary behaviour and routines for your lessons.
- Model the behaviour that you would like to see from students.
- Plan your lessons thoroughly using a **variety of teaching and learning styles** and resources to inspire, motivate and extend students. Interesting lessons set at the appropriate level and with appropriate challenge has a positive effect on behaviour. Similarly, boredom leads to poor conduct.
- Make sure work is marked regularly and feedback is given to students
- Take suitable steps to **resolve issues** and an early stage to avoid escalation. Rewards and sanctions must always be appropriate, consistent and fair
- **Take responsibility** for the maintenance of good behaviour in your classroom using support, where required, in addition to, but not instead of your own personal action
- Take time to **develop positive working relationships** at every opportunity both in and out of lessons.
- Follow the Standards flowchart consistently if disruption occurs in the classroom
- Allow passive supervision

# PROTOCOLS FOR REWARDS

We should actively seek every opportunity to praise our students, both in and out of school. Responding positively is a great motivator for students. This can be verbal praise, written comments in exercise books or student journals.

Rewards to include: -

- Rewards to accumulate and tariff system implemented for awards.
- Certificates and awards for attendance.
- Half-termly and annual rewards for excellent attendance, punctuality and behaviour.
- Prizes for competitions.
- Headteacher's award.
- Positives phone calls home.
- Departmental postcards home.
- Use of the academy's reporting system to comment positively on academic achievements and also other aspects of conduct and performance in school.
- Letters home for achieving or exceeding target grades
- Post 16 students are offered rewards and incentives in the same way as younger students. These are for both in academy effort and success as well as extra-curricular and voluntary work.
- Awarding of house points.
- Certificates and badges for positive behaviour points, bronze, silver, gold and platinum
- Prizes for gold and platinum awards determined by student voice
- Positive praise cards 'You've been spotted' for staff to recognize students daily
- Weekly praise on Pastoral board from Pastoral Manager
- Weekly praise in assembly

Our rewards system focus on Values Attitudes and Attributes and students are praised and recognized for displaying these.

The tariff system below outlines the awards that students can accumulate.

- 120 points Bronze badge/certificate
- 180 points Silver badge/certificate/prize
- 220 points Gold badge/certificate/prizes
- 260 points Platinum badge/certificate/prizes

#### Awards for VAAs and ACPs awarded termly.

We emphasize the importance or praise and rewards at the academy. This ensures there is a positive climate for learning and our standards are an expectation for all.

READY

I have all the equipment I need
I am on time and in my lesson
I have completed my home study

# RESPECTFUL

I speak to everyone with respect
I listen to what people have to say
I support my peers

I treat my environment with respect
I conduct myself in a mature way
I travel safely around the academy

A 1

SCHOLARSHIP CHARACTER COMMUNITY

# SANCTIONS

Teachers should have the right to teach effectively and students should have a positive attitude to their learning. Students at the academy have a right to be in a positive and stimulating environment that nurtures their passion for learning. Being Ready, Respectful and Calm is the consistent approach we all need to work towards. Following is a list of behaviours and possible sanctions

## Standards/Behaviour

Below are the behaviour codes that will be used to log and sanction different behaviour choices. The severity of each incident will accumulate points and, in some instances, warrant a period of time in the "reflection room" or in more serious cases will lead to a fixed term exclusion.

Not yet Ready		Not yet Respectful	Not yet Respectful		Not yet Calm	
Behaviour	Minus	Behaviour	Minus	Behaviour	Minus	
R1 Eating/drinking	-1	R5 -Electronic devices	-2	C1 – Disruption in class	-1	
R2 – Equipment / uniform	-1	R8 – Missed detention	-2	C2 – Movement around site	-1	
R3 – Late	-2	R9 – Abuse (subcategories)	-3			
R4 – Truancy	-2	R10 – Inappropriate language	-2			
R6 – Missing home study	-1	R11 – Prohibited items (subcategories)	-3			
R7 – Insufficient effort in completing assigned work	-1	R12 – Bulling	-3			
		R13 - Vandalism	-3			

Neutral points				
Event	Minus			
N1 Closing the gap (attainment)	0			
N2 Equipment	-1			
N3 Missing / Incomplete home study	-1			
N4 Not fully engaged in lesson	0			
N5 Toilet use in lesson	0			
N6 Uniform / PE kit	-1			

Where sanctions are found to be necessary, in order to establish boundaries and ensure that all students are able to learn and progress, the focus will always be on supporting the student in working to improve unacceptable standards of behaviour and attitude. Sanctions are to be applied in order to support and promote positive behaviour and learning

#### Sanctions should be used fairly.

## **Detention Processes:**

The detention process also includes sanctions for persistent punctuality issues.

- For any student who is late to period 1, which begins promptly at 8.45am, we will issue a **same day 30-minute detention.**
- The detention will take place in school from 3.15pm until 3.45pm.
- Parents/guardians will be informed that this detention is taking place via email and/or text message by 11.15am on the day.

We encourage students to be on site no later than 8.35am so that they are seated and ready to start their first lesson promptly at 8.45am.

Breakfast club is provided free of charge from 8am daily

We are looking at the following structure for sanctions for punctuality:

- 1 late email/text and 30 min detention same day
- 3 lates- text message home informing families this is their 3<sup>rd</sup> late, and the next late will trigger a meeting
- 4 lates- invite to meeting to discuss punctuality concerns and offer support if needed

# Pastoral detentions

Students can be placed in a break time or lunch time pastoral detention if they are displaying poor conduct in any of the Ready, Respectful, Calm areas.

Students are placed in a 30-minute Leadership detention after school for the following reasons:

- Arriving late to school
- Accumulating 3 or more negatives in the week
- Being relocated in a lesson
- Missing a detention

Families are always informed of these detentions.

#### Reflection room(Internal exclusion):

- The Reflection Room is where students who are displaying any form of challenging behaviour in and outside of the classroom are sent as part of our Behavioural Management protocol. Here, they are expected to reflect on their actions, to work in silence, and completing work that teachers have set throughout the day. Parents are informed and this is then logged on their online record.
- The students complete a Reflection worksheet on their entrance to Reflection, which gives the students a chance to reflect on what has happened for them to be put in this room. This worksheet challenges them to use critical and logical thinking and once completed, they are then spoken to Mrs Liaqat (Inclusion Manager) on the answers they have provided.
- The Reflection standards are a strong and non-wavering part of their experience; students are expected to have their coats off and bags put on the floor, they are expected to complete the Reflection sheet, they are expected to complete the work that is set in a timely manner, they are only allowed to drink water and they are expected to work quietly, only speaking when their hand is raised. These standards are put in practice, following the guidelines of "Ready Respectful Calm" and posters are placed in Reflection. This is also used as a deterrent to the room, as the environment of the room is very different to the classroom.

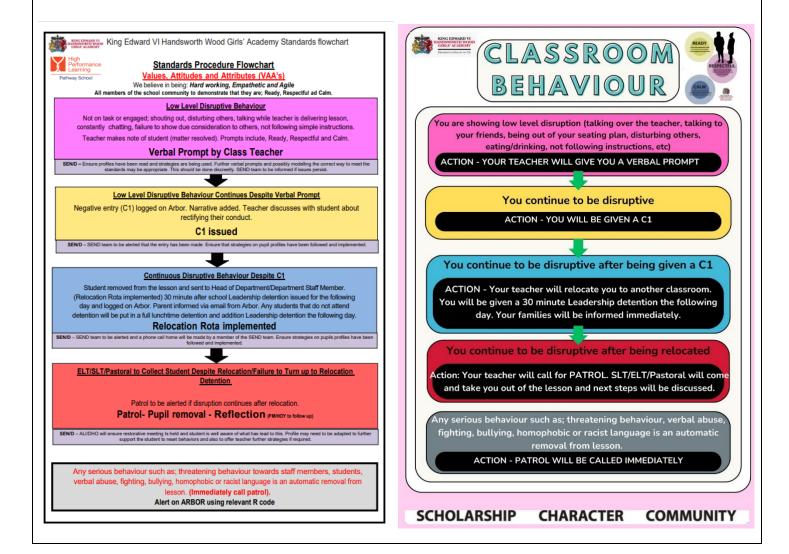

- A Mentoring booklet has been created by the Behaviour Mentors and this may also be used by students in Reflection, as it goes through the standards and practices of a model student at HWGA as well as activities they can do, to help them overcome barriers.
- There are also work-packs for students to use in Reflection for different topics and will be utilised based on the reason they are in there.
- Regular Reflection attendance is monitored, and the Inclusion Manager liaises with Behaviour Mentors to refer students for 1-1's.

# THE NEGATIVE CONSEQUENCES

It must be understood that violence of any kind is never acceptable at Handsworth Wood Girls' Academy and will be dealt with severely, most likely resulting in exclusion. The bringing of knives or other offensive weapons into school will result in permanent exclusion. It is important to note that the same procedures apply to our sixth form students.

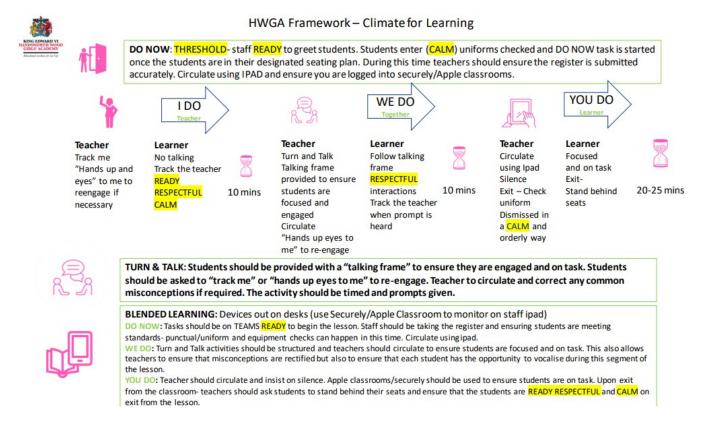

The Standards Procedure Flowchart is to be used during lesson to avoid escalation of disruption. It is aimed to allow the student to rectify their behaviour before facing further sanctions.

A student friendly version of the flowchart is for students to know the expectations of them and staff in the classroom.

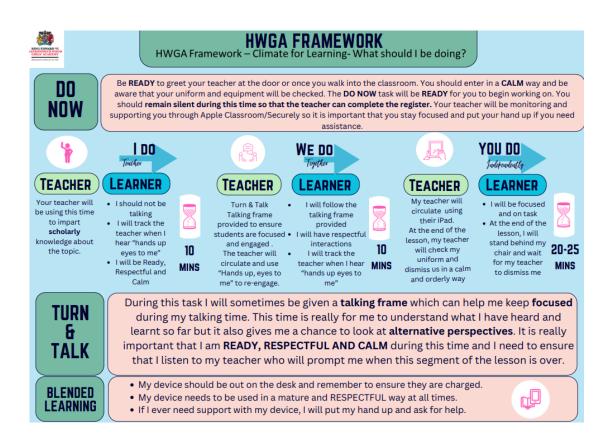

# HWGA Climate for Learning Framework outlines expectations of both students and staff in the classroom.

A student friendly version is also communicated to students.

# Processes to support students with SEND

We at HWGA have created a positive behaviour policy that support the management and development of behaviour for learning for all our students.

- It is important that staff know who the Special Education Needs (SEN) students are and follow the approach outlined in either their behavioural plan or pupil profile.
- Staff must use these plans to ensure they are following the right approach for the right student whilst maintaining consistent procedures with pupils.

#### Action

- When following Academy procedures initially offer a discrete verbal warning.
- If you teach SEN students have a classroom checklist for expectations that is visible to all students.
- Ensure work is set at the appropriate levels
- Check on all student's, invisibility is not an option

Process when dealing with SEN students consider:

- Consistent background noise
- Use of visual cue

# Gradient of reports.

When a student accumulates a certain amount of behaviour points, they get placed on a report. Each report warrants a phone call home to parents to inform them and discuss the reasons why.

All reports will be communicated with teaching staff, so they are aware who is on report and what report they are on.

The tariff for reports is as follows:

#### 25 negatives:

#### Positive form tutor report.

*This will be with the form tutor.* Expectations:

- Report will run for 4 weeks
- Pastoral Manger to contact home via email or phone call to inform parents
- Form tutor to see report once a day during/after form
- Space for the student to reflect will be put on the back of the report. The student needs to complete this each day during / after form.
- Any negative comments, incomplete report, lost report automatic pastoral detention

#### 50 negatives:

#### Pastoral Manager report

*This will be with Pastoral Manager* Expectations:

- Report will run for 4 weeks
- Space for the student to reflect will be put on the back of the report. The student needs to complete this each day during / after form
- Parental meeting prior to report starting
- Interventions for support such as mentoring referral to TFTF/Pastoral Leader
- Any negative comments, incomplete report, lost report automatic pastoral detention

#### 75 negatives:

#### Pastoral Care Manager Report / Pastoral Support Plan

*This will be with Pastoral Care Manager* Expectations:

- Report will run for 4-6 weeks
- Meet with Pastoral Care Manager 3 times break, lunch and during/after form
- Letter sent to parents to invite for parental meeting in school
- Any negative comments, incomplete report, lost report automatic pastoral detention

#### Still no improvement / 100+ negatives:

#### SLT report

*This will be with Deputy Head / Assistant Head* Expectations:

- Parental meeting in school
- Possible 2 week placement/Off site direction or managed move if no improvements
- Report to Deputy Head / Assistant Head 3 times a day break, lunch and during/after form
- Mentoring essential

• Any negative comments, incomplete report, lost report – automatic pastoral detention

If the pastoral team feel a two-week placement at another Education Provider will benefit the student, this can be actioned at any point during the Academic Year in agreement with families.

# Behaviour Contracts and Home school agreement

The purpose of a behaviour contract is to ensure that at this stage all parties are clear that there is a risk of managed move or permanent exclusion due to repeated poor behaviour. The contract is to be signed by the school/parents/carers and the student. The contract will include specific targets and expectations. Should these not be followed, the student has not fulfilled their responsibility.

The home school agreement is to be adhered to by the Academy, student, and families and these are made clear at the start of each Academic Year.

# Child on Child abuse

## Definition.

- 1. Child on child abuse is physical, sexual, and/or psychological maltreatment of another child or children, especially by another child often classified as a peer. Child on child abuse may result in actual or potential harm to a child and can occur anywhere, including the organizations, schools, or communities the child interacts with.
- 2. Child-on-child abuse includes, but is not limited to:
  - physical and sexual abuse
  - sexual harassment and violence
  - emotional harm
  - on and offline bullying
  - teenage relationship abuse
  - grooming children for sexual and criminal exploitation.

At HWGA we regularly cover topics of this nature to ensure our students and staff are ware of boundaries and the implications of abuse. These are delivered through drop down days and throughout PSHE curriculum.

We ensure that support is given to both the victim and perpetrator following any sanctions and investigation' to support their understanding for the future.

Actions taken by the academy

- Students kept separated
- Incident is logged on our Safeguarding system CPOMs
- Parents/carers informed
- Investigated by a member of the Safeguarding team
- Sanction according following schools' behaviour policy where appropriate
- Education for both the perpetrator and victim
- Intervention and support provided where appropriate for both parties
- Risk assessment for students who may pose a risk where appropriate

# Mental Health

Our Mental Health Lead is Emma Jones. Interventions are implemented for students when behaviour is a concern. If mental health is a factor, this is taken into consideration and support is offered to the student. Support could be through mentoring or a referral to our in-school counsellor.

Any students suffering with mental health where it has an impact on behaviour, communication will be made with teaching staff where necessary to ensure there is a whole school approach for the student.

# Mobile Phones Policy

#### Statement:

Mobile phones are banned within KING EDWARD VI Handsworth Wood Girls' Academy because of the negative effect on student learning and wellbeing.

To ensure that the policy is clear, Handsworth Wood Girls' Academy has implemented basic principles which are listed below.

- Mobile phones should be 'off and away' at all times, any phone seen or heard will be confiscated, this includes phones on display and in shirts and pockets etc.
- The first instance that a mobile phone is heard or seen, it will be confiscated and put in the school safe in a named envelope until the end of the week, parents/guardians will need to come in and collect it.
- Restriction is in place at all times while students are in the grounds and buildings of the school, this includes when students arrive and leave at the end of the day. Phones should be away before students enter the school grounds and not accessed until they leave at the end of the school day
- Should students wish to use their phone at the end of the day to contact parents/carers with any concerns or for collection following school based activities, they are to report to their Key stage hub or reception where a telephone call will be made.
- Should you wish to contact your child during the day you will need to call the school Reception and speak to your child's Pastoral Manager on the receptionist on 0121 544 8122 and they will ensure the message gets to your child. Arrangements can also be made for your child to speak to you on a phone in exceptional circumstances

Any misuse of social media will result in mobile phones being confiscated and kept for a long period of time pending investigation. In some serious cases this could result in a police investigation.

# Student behaviour when using Digital Technology

When teacher is demonstrating/instructing, device should not be used, placed on the desk with case closed if necessary to avoid distractions.

- Time should not be wasted logging on, this should be done at the beginning of the academy day with devices kept on standby as necessary.
- Students should look after the device, in terms of vandalism and damage.
- Devices should only be used as instructed, with appropriate software/web site used.
- Students should not be able to use devices in examinations/tests if not appropriate.
- Device to remain in the bag if not needed during the lesson.
- Devices placed in student bag at the end of each lesson, to avoid damage in corridors.

# PROTOCOL FOR RECORDING BEHAVIOUR

The academy uses the Arbor Behaviour system to record all positive and negative behaviour. Each positive example of behaviour will be awarded 1-3 plus points, each negative example of behaviour will be awarded 1-3 negative points. All staff both teaching and support staff should access and use this recording system to record behaviour events.

All staff can access daily behaviour reports.

Detailed analysis of all codes entered is carried out each week. This is used to:

- Analyse the trends in codes.
- Identify decreased or increased incidents of a particular behaviour.
- Monitor staff use of the system and identify classes that may need additional support.
- Develop teaching and learning strategies that can be shared
- Inform parents/carers when necessary
- Students who receive three negative entries in a week will be issued with an after school Leadership detention

#### Class teacher action includes: -

- Discussion between teacher and student to resolve the situation.
- Consider rearranging seating plan.
- Report and target setting to a member of staff (Faculty, Department, Form Tutor or Pastoral team).
- Break/lunchtime detention (student must be able to have lunch).
- Completion of report for Behaviour followed up with incident report if necessary.
- After school detention (10 minutes without notice)
- Referral to HoD for advice/support.
- Referral to Form Tutor or Pastoral Manager
- Class teachers use the Behaviour Standards Flowchart to manage behaviour.

# SEN/D specific:

#### Head of Department/Faculty action includes: -

- Conversation with student
- Departmental sanction or detention
- Letter or telephone call to parent/carer (must inform Pastoral Manger)

- Change of teaching group
- Advice from Additional Needs Co-ordinator
- Referral to FT/Pastoral Manger for information/action

#### Form Tutor actions include: -

- Discussions with student
- Contact via phone/email/meetings with student / families
- Detention
- Referral to Pastoral Manager
- Referral to mentoring

#### Pastoral Manager action includes: -

- React to and support teacher referrals regarding students
- Work in conjunction with Heads of Departments and or Pastoral Manager KS3 or KS4
- Informative letters/phone calls home and meetings set up between the student, Parents/Carers and appropriate members of staff
- Use of Reflection Room (a dedicated room for students to reflect on their behaviour. They will have the opportunity to discuss what happened and work through strategies to prevent a repeat occurrence).
- Referral to behaviour mentor or external mentoring service that works in school

#### Assistant Deputy Headteacher –includes: -

Follow-up advice/Support and management in all of the above

- Advice/support/action re: Reflection Room/Fixed Term/Permanent exclusion.
- Support with parental interviews.
- Advice, support, guidance Re: Behaviour/SEN/Multi-Agency. Co-ordination of pastoral support programmes Engagement of additional support agencies.
- Co-ordination of Governors Disciplinary Panel for a final warning -
- Co-ordination of Governors Exclusion Panel.

# FIXED TERM EXCLUSIONS AND PERMANENT EXCLUSIONS

Where there has been a serious breach of the school's Code of Conduct or Behaviour Policy, internal isolation or a fixed-term exclusion may be considered after other alternatives have been sought.

Students should not be sent home without the formal process being followed.

Following a Fixed Term Exclusion, a re-admittance meeting takes place with the Headteacher and the Pastoral Manager. In the event of a fixed term exclusion the Headteacher or their representative must give a written notice to the parents informing them of:

- The precise period and the reasons of the exclusion
- The parent's right to make representation to the Governing body
- The arrangement made by the school to set work for the student during the exclusion period
- What provision has been made available for exclusions longer than 5 days

• If relevant, details of a reintegration interview. The head must inform the Governing Body if a pupil is being excluded for more than 15 days in any one term. Pupils can be excluded for one or more fixed periods, which when aggregated, do not exceed 45 school days in any one school year.

At the re-admittance meeting after a FTE, the lead member of staff will assess the behaviour of the student who has been excluded and arrange for the appropriate support based on the needs of the student and the

school. School has the right to seek alternative provision if the student shows persistent refusal to follow school rules and does respond positively to the support that has been in place.

# **OFF-SITE DIRECTION**

If a student has received all levels of support and continues to struggle, an Off-Site Direction (OSD) may be considered. This involves placing the student in another school for a period of 2, 6, or 12 weeks. During this time, the student may either be taken on roll at the school or return after the designated period, if not before.

Clear guidelines for the OSD process are provided from the outset, and both the student and their family are involved in every stage. Throughout the Off-Site Direction, the student will receive personalized support from an OSD mentor on a weekly basis.

# SUPPORT SYSTEMS FOR STUDENTS

Where a student finds themselves in receipt of sanctions, they will be supported by a number of means to ensure that they can make the necessary improvements to be able to access their learning.

Where sanctions are found to be necessary in order to establish boundaries and ensure that all students are able to learn and progress, the focus will always be on supporting the student in working to improve unacceptable standards of behaviour and attitude. Sanctions are to be applied in order to support and promote positive behaviour and learning.

Sanctions should be used fairly and could include:

- Peer Mediation / restorative conversations via the Pastoral Team
- Referral to the counselling
- Department report
- Tutor report
- Pastoral Care Manager report
- PSP Pastoral Support Plan
- SLT report
- Mentoring internal and/or external
- Reflection room
- Off-site direction
- Fixed Term Exclusion
  - o Behaviour Contract via the Head Teacher following an exclusion
  - $\circ \quad \text{Inclusion Room}$
  - Alternative provision/fixed term respite at another school
- Managed Move (North West Sharing Panel)
- Governors' Behaviour Appeals Panel

# THE NEGATIVE CONSEQUENCES

It must be understood that violence of any kind is never acceptable at Handsworth Wood Girls' Academy and will be dealt with severely, most likely resulting in exclusion. The bringing of knives or other offensive weapons into school will result in permanent exclusion.

It must also be understood that the school will take seriously any allegations against staff. However, all allegations MUST be proven, and any false or malicious allegations will result in permanent exclusion and the likely involvement of the police.

The carrying of mobile electronic technologies is **not** allowed. Any student found to be using any of these items will have them confiscated by staff, secured and later returned to a parent/carer by appointment.

# Training and Professional Development for all Staff

A variety of teaching strategies promote positive behaviour in the classroom.

Behaviour management training is ongoing and reviewed to ensure that it is appropriate to the needs of staff and the academy. This will include induction of new staff to current procedures and policies, training for all staff on changes to current procedures for instance new discipline reports, on/off site by experts as appropriate.

Relevant information and training on behaviour management matters is available to all groups of staff, including:

- Support staff (e.g. Teaching Assistants)
- Newly qualified teachers during their formal induction period
- Students undertaking programmes of initial teacher training
- Supply teachers
- Class teachers (there are many different strategies that can be used to improve classroom behaviour). Heads of Key Stage, Pastoral Manager, Pastoral Leader, Pastoral Care Manager the Deputy Headteacher are willing to assist with this as needed. There are opportunities to observe other teachers, have input on different teaching and learning styles that could help to improve classroom management.
- The academy undertakes annual reviews of the continuous professional development needs of all staff.
- Opportunities are provided for relevant staff to develop their knowledge and skills in relation to such issues as
  - o Implementing the academy's Behaviour Policy
  - $\circ$   $\,$  Continuous referral to the Code of Conduct which is in the student planners and are on posters in every classroom.
  - o Logging and recording of incidents
  - o Lunchtime supervision
  - o Classroom management
  - o Student Welfare support
- Equal opportunities and anti-discrimination
- Techniques for promoting positive behaviour.

In issuing negative consequences to correct unacceptable behaviour the following guidelines must be observed:

- Use a variety of sanctions that are appropriate to the offence.
- Use a staged approach so that action is appropriate to the severity of the misbehaviour.
- Adopt a positive approach and positive language so that appropriate behaviour is taught, reenforced and understood by the student.
- Allow pupils the opportunity to explain their actions as part of the process of improving their understanding of appropriate and acceptable behaviour.
- Avoid humiliation as this causes resentment.
- Make sure that negative consequences are not escalated until the early stage sanctions have been applied.
- Accept responsibility for the issue and follow through of sanctions

- Seek support if required but never relinquish your own responsibility to resolve the incident.
- Make sure that negative consequences are appropriate, fair, consistent, followed through.
- Avoid issuing statements/threats that you, as the teacher, are not empowered to carry out removing any incentive for the student to behave well.
- Avoid blanket or whole class sanctions that may punish students who are not involved.
- Do not penalize that which cannot be proven.

# INAPPROPRIATE SANCTIONS

The actions listed below are inappropriate and unacceptable and should not be used as negative consequences:

- Corporal punishment or physical reprimand.
- A consequence that is not related to the negative behaviour that has been displayed.
- Moving to severe consequences before early stage sanctions have been used.
- Standing a student outside a classroom, in a corridor or in unsupervised isolation or restricting liberty.
- Whole class punishment should be avoided unless every pupil in the class has behaved unacceptably– otherwise innocent and well behaved pupils can be demotivated.
- Inappropriate use of curriculum as a punishment i.e. extra maths, extra English, sending pupil on a run etc.
- Exclusion of a pupil from a curriculum activity i.e. swimming, educational visit, work experience, class based activity is not appropriate unless on the grounds of potential health and safety.
- Issuing statements/consequences that you, as the teacher, are not empowered to carry out which removes any opportunity for the pupil to behave well.

# Staff induction, development and support

Staff at the academy are given regular training and updates regarding behaviour management and ensuring our climate for learning is conducive to students attaining their personal best.

New staff have a comprehensive induction into our systems and protocols and Heads of department ensure they are supported within their teams. Heads of year also ensure that new staff have regular support to ensure we are consistent in our application of Rewards and Sanctions if required.

Staff also have regular professional development in terms of classroom behaviour management, and this is calendared throughout the academic year. The Pastoral team conduct regular drop ins to ensure consistency and support is accessible to all staff.

Pastoral staff meet regularly to discuss developmental needs and attend courses that further enhance their practice.

Staff also have the opportunity to access our weekly "pastoral drop-in sessions" with our Pastoral Manager to discuss particular students and how we can further support them but also to clarify any areas they feel they need to.

# Teachers' Duty of Care

The teacher has a duty of care to exercise disciplinary control. Specifically this includes:

- the maintenance of good order and discipline among the students
- the safeguarding of students' health and safety.

These are duties required to ensure the efficient conduct of the education process and also to protect students against causing harm to themselves and to other students.

If one student causes injury to another, the teacher may bear a responsibility if it can be shown that the injury occurred as the result of the teacher's failure to maintain order.

Teachers have a discretionary **power to use force**. However, failure to take action (including failure to use reasonable force) could in some circumstances be argued as being a breach of the duty of care towards students.

A very great deal will depend upon the circumstances of the incident. Teachers cannot reasonably be expected to foresee every incident nor, of course, to be everywhere on the school premises at the same time.

A teacher is not under a duty to run the risk of personal injury by, for example, breaking up a fight, unless this can be done without the likelihood of harm to the teacher.

However, if an injured student was involved in misbehaviour, issues of contributory negligence may arise.

#### **Positive Handling**

We are committed to creating a safe, supportive, and inclusive learning environment where all students can thrive. Positive Handling is designed to promote respectful and responsible behaviour while fostering a culture of kindness, empathy, and mutual respect. The focus of this is on proactive, constructive approaches to managing behaviour and addressing conflicts, rather than on punitive measures.

#### **Guiding Principles**

- 1. **Promoting Positive Behaviour**: We encourage students to take responsibility for their actions by recognizing and reinforcing positive behaviour. We celebrate achievements, effort, and kindness to help foster an atmosphere of mutual respect.
- 2. **Clear Expectations**: Clear expectations for behaviour are communicated to all students at the start of each academic year and regularly reinforced throughout the year. These expectations are fair, consistent, and designed to encourage respectful interactions among all members of the school community.
- 3. **Restorative Approaches**: We focus on restorative practices rather than punitive measures when addressing conflicts or misbehaviour. Our goal is to repair harm, restore relationships, and encourage personal accountability. Students are actively involved in the process of making amends and understanding the impact of their actions.
- 4. **Conflict Resolution and Active Listening**: We emphasize open communication and the importance of listening actively to others, helping students to resolve disagreements peacefully and constructively.
- 5. **De-escalation Techniques**: Staff members can spot the early warning signs of tension and use deescalation techniques to prevent situations from escalating. We aim to defuse conflict through calm communication, empathy, and providing students with space to process their emotions.
- 6. **Supportive Interventions**: We provide support systems for students in need, including access to counselling and mentoring. These services are designed to help students overcome challenges, manage stress, and improve emotional well-being.
- 7. **Inclusivity**: We are committed to an inclusive school environment where all students, regardless of background or ability, are treated with respect. Our practices take into account the diverse needs of our students, including those with additional learning needs or disabilities.

**Responding to Challenging Behaviour** In cases where students engage in behaviour that challenges the school community, we follow a graduated approach, starting with preventive strategies and moving toward

more intensive interventions if necessary. Our aim is to support students in improving their behaviour while minimizing the use of physical interventions.

- **Minor incidents** will be addressed with a focus on restorative conversations and reflection, with the involvement of the student in understanding the consequences of their actions.
- **Moderate incidents** may require additional support, including the involvement of parents or guardians, mentoring, or referral to a school counselor.
- **Serious incidents** will be addressed in accordance with the school's behaviour policy, ensuring that appropriate steps are taken to safeguard all students and restore relationships.

**Physical Intervention** In the rare event that physical intervention is necessary to prevent harm to students or staff, it will be carried out in accordance with national guidelines and the principles of positive handling. Such interventions will always be a last resort, used only when all other de-escalation strategies have been exhausted.

# Power to Restrain Students

Under certain circumstances teachers are allowed to use reasonable force to control or restrain students. Teachers should:

- only use reasonable force in very specific circumstances
- exercise caution in the use of force
- make accurate records of incidents when force is used.

#### Use of reasonable force

Although teachers may not use corporal punishment as a disciplinary sanction, they and others, if authorized to do so by the principal, may use such force as is reasonable to prevent a pupil from:

- committing a criminal offence
- injuring themselves or others
- damaging property, including their own
- behaving in a way which is prejudicial to the good discipline and order of the college, whether in the classroom or elsewhere where the teacher has lawful control of a student.

The law distinguishes from corporal punishment any action by a teacher which averts the danger of a pupil causing personal injury or damage to property.

Reasonable force may also be used in exercising the statutory power, introduced by the Violent Crime Reduction Act 2006, to search students without their consent for weapons. However, in situations where resistance is expected, the Academy reserves the right to call the police instead.

#### Definition of reasonable force

There is no legal definition of what constitutes "reasonable force".

Force is usually used either to control or restrain and should always be "reasonable in the circumstances" –in other words, no more force should be used than is needed.

Control can either involve:

- passive measures, such as blocking a pupil's path
- actual physical contact, such as taking a student by the arm out of a classroom.

Restraint means to hold back physically or to bring a pupil under control. Typically, this is used in more extreme cases where two fighting students refuse to separate without physical intervention.

School staff will always avoid acting in a way that might result in injury to a student however, it is recognized that this might not be possible in extreme cases. Situations where reasonable force might be justified include:

- violent behaviour by a student, e.g. fighting or attacking a member of staff or another student

   acts of vandalism
- behaviour by a student, e.g. rough play, the misuse of objects or running in the corridors which is likely to cause personal injury or damage to property.
- An incident which seriously disrupts a lesson on other school event.

# Searching, Screening and Confiscation -

#### The power to Search Students - Banned Items

Headteachers and staff they authorise have a statutory power to search a pupil or their possessions where they have reasonable grounds to suspect that the pupil may have a prohibited item or any other item that the school rules identify as an item which may be searched for. The include:

- Alcohol
- illegal drugs
- legal highs
- stolen items
- tobacco/e-cigarettes
- vapes
- fireworks
- pornographic images
- knives and weapons
  - any article likely to be used to commit an offence, cause personal injury or damage to property.
    - Any students found with drugs or weapons: As per the new WMP guidelines, SIPOs will now be able to deal with drug and weapons crime directly.
    - As such, any student bringing a knife or other weapon into school will need to be arrested.
       A 999 call will be made. If there is no threat, it may be downgraded. Staff member who found the weapon will provide a statement.

Academy staff can seize any prohibited item found as a result of a search.

An **electronic detection wand** will be used to search a student, or students suspected of carrying a weapon or knife. An electronic search will only be deemed necessary based on intelligence received. A dated record will be kept of all searches carried out.

Policy signed off by: Chair of Governors Autumn 2022 Review date: Summer term 2023 Person Responsible: Mrs M Morgan – Associate Headteacher
